Sir,

With reference to your letter conveying to me the decision of the Mysore Government offering my elder son a scholarship of Rs 20 per mensem for 3 years to take a training in the Perambore Workshops, I beg to bring the following facts to your notice-

1 That the Railway Company requires a premium of Rs 500/- paid in advance which sum I am not at all in a position to afford-

2 That I applied to Government for the scholarship two years ago Now my son is nineteen years of age, and I feel I cannot possibly do anything more for him in the way of support The scholarship so Kindly sanctioned is not enough to pay for his board at Madras and to keep him supplied with clothes I would therefore respectfully suggest that the scholarship be transferred

to my younger daughter Iris to enable her to prosecute her studies, for the same period of three years.

I beg to remain
